

**Londonderry Volunteer Rescue Squad  
Londonderry Technical Rescue  
Tri-Mountain Area Pre-Designated Landing Zones  
Last updated 9/21/15**

- Asterisk after the town name is a preferred LZ
- Give the town name and LZ location when requesting a helicopter. The LZ #'s may be confusing so it's best not to use them
- Advise the pilot of hazards and surface winds when communication is established inbound.
- Standard air to ground is VTAC 4.

| Town         | LZ#  | Location/Description   | Hazards/Notes   | Coordinates              |
